Episodes #30

- Trouble on the Tide

Scripts:

The ferry sails smoothly across the glittering sea. The wind is calm, and Wingull flies overhead

Narrator: After earning a hard-fought victory against Chuck in Cianwood City, Ty and his friends continue their journey toward Olivine City. With perfect weather and peaceful seas, the group settles in for a relaxing ride.

Ash: **Stretching and looking at the horizon**
Ah, nothing like the open sea… I can already feel Pokémon energy buzzing around here.

Pikachu: Pika pika.

Dawn: **Smiling and brushing her hair back**
It's beautiful… I love the sunlight reflecting on the waves. Makes you want to just relax for a while.

Max: **Excitedly**
I still can't believe that we're going back to Olivine City, and meeting Jasmine again!

May: **Chuckling** Patience, Max. It's a ferry ride, not a rocket launch.

Raye: And besides, we have plenty of time to enjoy the ride, and train our Pokémon too.

Jonah: **Watching Minun and Plusle bouncing around** Yeah. And speaking of training, Ty's been looking really determined lately. He's been talking about his Gym battle like it's the most important thing in the world.
The gang watches Ty training Teddiursa and Croconaw

Ty: All right, guys! Give everything all you got on your training today!

Teddiursa: Ursa!

Croconaw: Croco!
Ty is in a corner of the deck with Teddiursa and Croconaw. Ash and his friends sit nearby watching

Ash: Ty's been on fire ever since he beat Chuck.

Lillie: He's so focused, and inspiring of course.

Sakura: Totally. He's more concentrated than he wanted.
Ty commands Teddiursa and Croconaw a simple combo drill

Ty: Teddiursa, Fury Swipes!

Teddiursa: Ursa!

Ty: All right, Croconaw, follow up with Water Gun!

Croconaw: Croconaw!
Teddiursa strikes practice pads held by Raye, and Croconaw shoots a controlled Water Gun that Ty sidesteps with quick footwork

Avery: Whoa. Nice moves for Teddiursa.

Jonah: Croconaw's aim is way cleaner than before.

Raye: You're really improving right now.

Max: And he's seriously fired up today.

Ty: Okay, Croconaw! Ice Fang!

Croconaw: Croconaw!

Ty: Now, Teddiursa! Payback!

Teddiursa: Teddiursa!
Teddiursa and Croconaw clash at each other with their move, without taking damage for them. After that, their training came to an end

Teddiursa & Croconaw: **Panting**

Ty: Great work, you two. You have improved your training today.

Croconaw: **Smile** Croc.

Teddiursa: **Smile** Teddiursa.
Ash and his friends claps at Ty after his training

Ash: **Impressed** That was amazing, Ty. You definitely leveled up after your battle with Chuck.

Jonah: **Smile** You look more determined and focused.

Ty: **Smile** Thanks, everyone. I'm gonna give everything once we get to Olivine City.

Sarah: I'm very impressed that you trained well, cousin.

Ty: Hehehe. Thanks, Sarah.

Lillie: Now that your training is over, I'll get some snacks for everyone.

May: I'll go with you.

Sakura: We should relax and enjoy the breeze while we reach our destination.

Avery: Yeah, I want to enjoy some fresh air.

Ash: Let's have a break at the deck.

Pikachu: Pika!

Jonah (Narrator): Trouble on the Tide!
After Ty's training, the gang are relaxing at the deck of the ship with their pokemons

Sarah: **Petting Girafarig**
See? Litten thinks you're fun, Girafarig! You're making friends already.

Girafarig: Gira.

Litten: **Tail flicking happily** Litt!

Girafarig: **Happily** Fariiiig!

Sarah: **Giggles** Looks like Litten approves with you.

Sakura: **Smile** And they look great together.

Sarah: **Smile** Thanks, Sakura.

Espeon: Espeon.

Litten: Litt. Litt.

Girafarig: Gira.
While Litten and Girafarig are becoming friends, Espeon interact with them, playfully

Sakura & Sarah: **Chuckles**
Nearby, Raye and Jonah are Plusle and Minun bouncing around as they are preforming, creating a spark of heart shape of electricity

Plusle: **Happy** Plu!

Minun: **Happy** Min!

Raye & Jonah: **Chuckles**

Raye: You two never fail to make the deck fun, huh?

Jonah: Yeah, it's like a little fireworks show.

Avery: They look like a performer.

Raye: They are. And how's everything with your Wooper?

Avery: **Smile** Great. He's been helpful to me today. Watch.
Avery tells Wooper to do some tricks while Jonah and Raye along with Plusle, Minun and Pachirisu watches

Avery: You ready, Wooper?

Wooper: **Excited** Woop, wooper!

Avery: All right. Spin.

Wooper: Woop, woop, woop.

Avery: Bounce.

Wooper: Woop! Woop!

Avery: Hug

Wooper: Woop!

Avery: **Hugging Wooper & chuckles**

Raye & Jonah: **Chuckles**

Plusle and Minun: **Happy**

Pachirisu: **Chirping and smiling**

Avery: Good job, Wooper. You were super dependable out there. Here, a little reward.

Wooper: **Cheerfully** Woo!
Avery gives a treat to Wooper for his excellent behavior

Wooper: Woop! Woop!

Avery: **Giggles** I'm happy for you, Wooper. You did great today.

Ty: He totally is. We saw it from here.

Ash: Wooper was great doing his tricks.

Pikachu: Pika Pika.

Teddiursa: Teddiursa.

Croconaw: Croconaw.

Wooper: Woop, woop!

Max: **Smile** These guys are getting used to it.

Piplup: Piplup.

Quilava: Qui, quilava.

Pachirisu: **Chirping**
Quilava, Piplup and Pachirisu also interact and make friends with Wooper and Girafarig

Dawn: **Smile** I'll give them credit, they like family together as well.

Sarah: I agree. All the pokemons bond together like they want to.

Raye: It's so sweet for them.

Avery: Wooper normally warms up real quick.
As they are having a great time, May and Lillie with Manaphy has brought snacks for everyone

May: Alright, everyone! Snack is here!

Ty: Perfect timing. Training works up an appetite.

Teddiursa: **Smile** Teddiursa.
Everyone eats their snacks together at the upper deck outside, looking relaxed

Ty: Man, everything about today just feels perfect.

Dawn: Yeah… trips like these don’t happen often.

Max: And Wooper fits right in with Pikachu and everyone!

Avery:
He made friends so fast. That's gotta be a record.
Suddenly, the floor beneath their feet gives a soft rumble. Not violent, but enough to shake the railing

Dawn: Whoa? Did you guys feel that?

Ty: Yeah… the boat just shook.

Jonah: Maybe it was a wave?

Lillie: The ocean looks calm though…
A second tremor follows—stronger. A few passengers stumble slightly

Passenger #1: Wh-what was that?!

Passenger #2: Is the boat supposed to do that?!
The ferry horn blares once, steady and controlled. The Captain's voice comes through the PA system

Ferry Captain (PA): Attention passengers, please remain calm. We're just experiencing minor sea turbulence. Nothing to worry about.

May: Turbulence…?

Dawn: That didn't feel normal.

Ty: Yeah, that felt more like something hit the hull.

Avery: Do you think something's under us?

Sarah: **Nervously** I hope not…

Lillie: Let's hope it's just the waves.

Pikachu: Pika?

Teddiursa: Teddiursa?

Minun: Min?

Plusle: Plu?

Squirtle: Squirtle?

Wooper: Woop?

Girafarig: Gira?
A third rumble hits—this time much stronger. Some passengers scream as drinks spill and chairs slide across the deck

Max: Okay, that one definitely wasn't normal!

Manaphy: **A bit scared**

May: It's okay, Manaphy.

Sakura: Something's wrong down there. I can feel it.

Ash: We should check the lower deck.
If something’s happening under the boat, we need to see what it is.

Raye: Right.

Ash: In that case, I need a volunteer. Come on, Pikachu!

Pikachu: Pika!

May: Max, can you stay with the others?

Max: Okay. Be careful, big sis.

Ty: Let's go
As the ferry ship continues to rumble, Ash, May, Dawn, Ty, Raye and Jonah run toward the lower decks. Footsteps echo as they push through the door and descend the metal stairs into the belly of the ship

Jonah: Do you hear that?
Metallic from the ferry keeps clanging echoes through the chamber. Each impact vibrates the walkway

Dawn: Something is definitely hitting the boat!

Raye: Look—over here! The viewing windows!
They rush toward the long water-level windows along the lower deck wall

Pikachu: Pika Pika!

Ash: Whoa! Look outside!
Through the windows: A frantic group of Mantine are leaping out of the water, twisting in panic. Waves crash violently around them

Mantine: **Panic** Man! Man!
All the passengers, along with Lillie and the others witnessed the pack of panicking Mantine

Avery: The Mantine.

Sarah: They're...terrified?

Sakura, Max & Lillie: ...
Back to the lower deck, we're Ash and the others keeps looking at Mantine packs in panic

Ty: What would scare them this much?

Ash: Something under the ferry.

Jonah: And it’s hitting the hull over and over!
Another metallic slam rattles the windows. The water churns violently below

Ash: Everyone—try to get a better angle!
They press closer to the glass, trying to see deeper. Then...

Plusle: Plu! Plu!

Raye: What is it, Plusle?

Plusle: Plu!

Raye: Huh? **Gasp** There! Look beneath the turbines!

Ash, Dawn, Jonah, Ty & May: Huh!?

Pikachu & his buddies: *?*
The shadows are clear enough to reveal several to be a pack of Huntail thrashing wildly. Their long bodies coil and uncoil as they slam their tails against the ferry's underside

Huntail: Huntail!

Jonah: What are those?

May: Huntail... and a lot of them!

Dawn: They're stuck near the turbine system!

Huntail: Huntail! Huntail!

Ash: They're trying to escape, but the current's pulling them back in!

Ty: Their tails are slamming the hull every time they panic... that's what's shaking the ferry!
More violent currents swirl around the windows. Mantine are caught in the spiraling water, barely able to keep themselves balanced

Ty: This is bad...

Teddiursa: Teddiursa...

Raye: The Mantine are getting pulled into the turbulence too!

Jonah: We need to stop this before someone gets hurt—
Human or Pokémon!

Dawn: Let's go tell the Captain—and get ready to help those Pokémon!

Ty: Yeah.

Ash: Will stay here and figure it out.

Pikachu: Pika!
Ty, Dawn and May went to tell the captain about the situation while he tries to calm the passengers as the waves spiral violently

Ferry Captain: Everyone stay calm! The sea's just acting up!

Ty: Captain!

Ferry Captain: You kids are not supposed to be here right now!

Ty: We checked the lower deck windows—there's a pack of Mantine panicking out there!

Dawn: And something's slamming into the ferry from below!"

Ferry Captain: What!?

Ty: We saw why! A group of Huntail is stuck near the turbine system! They're trying to escape but they're hitting the ship!
The captain's face stiffens, his expression shifting from confidence to alarm

Captain: Stuck near the turbines? That's bad—very bad. If they keep struggling, they'll damage the propellers... or themselves.

May: And the Mantine nearby are getting dragged into the currents!”
The captain quickly nods to Ty and the others

Ferry Captain: If you’ve got a way to calm them down, I’ll authorize any help you can give. You kids have more experience with Pokémon than anyone else onboard.

Ty: Right! Come on!”
**Ty and the others rushed back to the lower deck with Ash's team. In the lower deck, the Huntail keeps slamming its turbines with its tails.*

Huntail: Huntail!

Raye: I won’t let those Huntail suffer!

Jonah: Me too! Let’s help them!

Ash: All we need is for Ty and the others to return before it causes more panic.

Pikachu: Pika.
The lower deck hums with machinery as Ash and the others rush to the maintenance bay on time where the water-level emergency hatch gives a direct view outside

Raye: You made it!

Ty: We need to stop those Huntail packs.

Jonah: Any suggestions?
Through the reinforced window, the Huntail thrash wildly, trapped by the force of the turbine currents. The metal hull shudders with every impact of their tails

Ash: We need to calm them down without hurting them! Ready?

Raye & Jonah: Yeah!

Ash: Pikachu, use your Quick Attack on that support platform!

Pikachu: Pika! Pika, pika, pika, pika!
Pikachu dashes out through the emergency side access hatch, and leaps into the shallow support platform above the water. With lightning speed, Pikachu zips past the Huntail, guiding their movements away from the spinning turbines

Raye: Plusle, use Charm! Soften their aggression!

Plusle: Plu! Plu!
Plusle steps forward, cheeks sparkling with pink hearts that drift toward the agitated Huntail. The closest of them pause, confused and slightly soothed

Jonah: Minun, slow them down with Thunder Wave!

Minun: Min! Min!
Minun releases a delicate, sparkling wave of electricity. It glides through the water, causing the Huntail to slow their frantic movements instead of shocking them. Ash rushes to the window. But the currents remain chaotic

Ash: Okay, Pikachu —Thunderbolt!

Pikachu: Pika...chu!!!!
A soft, controlled wave of electricity pulses through the water—not enough to harm, just enough to break up the turbulent current patterns. The swirl around the turbines loosens and the Huntail packs stop thrashing and the metallic impacts cease. One by one, the exhausted Huntail swam free, retreating into deeper waters

Dawn: They’re safe...!”

May: And the ship stopped shaking.
The group breathes a sigh of relief

Ty: We did it. That was a close one.

Ash: Great teamwork, Plusle and Minun.

Plusle: Plu.

Minun: Min.

Ash: You did good as well, Pikachu.

Pikachu: Pika.

Dawn: We need to get back with the others.

May: Right.
Back on the deck, the surface water is settling while Ash and his team met up with their friends

Avery: You made it! What happened?

Raye: There was a group of Huntail that got stuck in the turbine, and we managed to free them. There's nothing to worry about.

Max: That's good. We were a bit scared of this turbulence.

Sarah: But you guys are okay, right?

Ty: You don't have to worry anymore, cousin. We got it under control.

Sarah: **Smile**

Manaphy: Mana!
Manaphy embraces May happily

May: Hey, Manaphy. I'm so glad you're okay.
As they succeeded stops the turbulence, the gang spots something struggling above the waves

Avery: Hm? There's something in the water!

Ash & his friends: ?

Pikachu & his buddies: ?

Mantine: Man!!

Ash: There! That Mantine’s stuck!
One Mantine flaps desperately, its fin caught in rope-like debris sucked up from the disturbance. It can’t dive or swim straight

Max: He can't get out!

Avery: What are we going to do?

Lillie: We need to save Mantine. Got any ideas?
Suddenly, the captain rushes forward and hands them coiled ropes

Ferry Captain: Here! Take this!

Ash & his friends: Huh!?

Ferry Captain: Use these ropes to get it close enough! But be careful!

Ash: Thanks, Captain.
Ash, Ty, and Lillie secure the ropes around the railing

Ty: We need some assistance here.

Sakura: Right
Avery, Sakura, and Sarah help pull Mantine out

Ash: Easy…! Don't pull too hard!
The Mantine rises just enough for Dawn to reach down from the lifeboat platform

Dawn: I've got it! Quilava—give me just a bit of controlled heat!

Quilava: Qui!
Quilava steps forward, its flames flickering softly. Dawn uses the warmth to weaken the debris fibers without burning Mantine. With one last tug, it snaps out. The debris breaks free

Mantine: Man!

Jonah: It did it.

Max: Mantine is free!

Ty: Yeah!!

Ash & his friends: **Happy**

Pikachu & his buddies: **Happy**
The Mantine immediately perks up, swooping into a graceful circle around the ship

Mantine: **Happy** Man!

May: It's thanking us!

Ty: Glad we could help.
The Mantine is Happy as it swoops with the other Mantine and leaves the area while the passengers look in awe

Dawn: We saved Mantine today.

Ty: You did good, Dawn.

Dawn: Thanks.

Ty & Dawn: **Smiling at each other**

Sakura: Since Mantine is saved, we can finally rest.

Ash: Yep. We made it.
But then, the ocean darkens beneath them

Max: Something moved in the water.

Ty: What?

Avery: Please tell me it's not another wave.

Lillie: No…it's something else.

Teddiursa: Ursa…

Pikachu: Pika….pi!
Suddenly, A massive shadow rises from the deep, and a huge shape breaches the water

Gyarados: **Roaring**

Ash & his friends: **Shocked**

Pikachu & his buddies: **Shocked**

Passengers: **Shocked**
It was a Gyarados. It thrashes violently, sending waves slamming against the ferry

Ash & his friends: Aagh!!

Pikachu & his buddies: **Shocked**

Ferry Captain: Brace yourselves!! Something stirred it up!

Sarah: **Panicked** What is that, pokemon?

May: It's a Gyarados! And it's angry.

Gyarados: **Roaring**

Lillie: But did it find us?

Jonah: I'm not sure!
**Ash remembers from earlier, the Mantine panic and then the turbines with the Huntail were stuck. Then, he realized.*

Ash: Now I remember.

Jonah: Huh?

Ash: It must've been caught in the Huntail panic! That's how it happened!

May: So that means it must've been disturbed from the chaos!

Raye: We should've known!
The Gyarados continued to roar, eyes burning with agitation

Ash: Let's get inside, everyone!
Everyone enters inside the deck for safety, except for Ty, who steps forward, trembling, but determined

Ty:
"No. I'm not running. I'm helping. Croconaw, Teddiursa—let's go!"

Ash: Ty, what are you doing!?

Raye: It's dangerous!

Ty: Don't worry! We got this!

Jonah: But you don't stand a chance against Gyarados!!

Ty: I'll be fine, Jonah! Trust me!

Jonah: **More worried**
Teddiursa and Croconaw leap to Ty's side, growling at the massive threat Gyarados before them

Gyarados: **Roaring**

Ty: Teddiursa, Croconaw! Get ready!

Croconaw: Croc!

Teddiursa: Ursa!

Gyarados: **Roaring**
The battle started with Gyarados fires a Hydro Pump at them

Ty: Croconaw, dodge and use ice fang!

Croconaw: Croconaw! Croc!

Gyarados: **Being hit**
Croconaw leaps aside and clamps down on Gyarados's scales with freezing fangs. Gyarados roars and thrashes

Sarah: Work with the rhythm of its movements, cousin!

Lillie: Don't fight against the tides—move with them!"

Ty: Right! Teddiursa, aim higher with fury swipes!

Teddiursa: Ursa! Teddiursa!

Gyarados: **Being hit**

Max: It's working! He's more focused on his training skills!

Manaphy: Mana!

Gyarados: **Roaring**
Despite taking some damage, Gyarados continued to rampage against Ty and his pokemons

Ty: Let's show off our training skills. Croconaw! Dive under and use Bite!

Croconaw: Croconaw!
Croconaw dives and clamps down on Gyarados's fin, taking more damage

Jonah: Nice move, Ty!

Ash: Croconaw's holding its own!
*As it was taking a lot of damage by Teddiursa and Croconaw's attack, Gyarados hesitates. Its anger falters**

Gyarados: **Growling & a bit scared**

Ty: Huh?

Teddiursa: Ursa?

Croconaw: Croc?

Sarah: What's going on?

May: Did he defeat Gyarados?

Sakura: No...he looks scared.
Ash approaches Ty about Gyarados

Ash: Ty...

Ty: He looks tired. And scared.

Ash: But you've won?
He looks at Ash then walks towards Gyarados while his friends and the passengers watched

Gyarados: **A bit scared**

Ty: I get it. You were hurt. You were scared. But it's okay now...I'm here to help you.
Gyarados's growl softens. Its breathing slows

Ash & his friends: ...

Pikachu & his buddies: ...

Ferry Captain & passengers: ...

Raye: He's really grown.

Dawn: **Smile* (Ty...)*
After Comforting a calmly Gyarados, Ty made up his mind as he pulls his pokeball

Ty: If you want a place to belong. If you want someone who'll fight with you...then come with me. Will you be in my team?
Gyarados stares at him for a long moment. Then...It lowers its head

Ty: Okay! Pokeball, go!
Ty throws his pokeball at Gyarados, The Poké Ball shakes a few times, after it stops, he caught it

Ty: **Happy** Hehehe, I caught Gyarados!

Croconaw: **Happy** Croc!

Teddiursa: **Happy** Teddiursa!
His friends and the passengers were cheering for Ty by catching Gyarados as the gang happily for him

Ash & his friends: **Cheering**

Pikachu & his buddies: **Cheering**

Dawn: You did it, Ty!

May: You caught a Gyarados!

Raye: That's amazing!

Ash: Nice work. That was all you.

Sarah: You're the true hero, cousin.

Pikachu: Pika Pika.

Ty: **Smile** Like I said…I found my new partner that I wanted. Welcome to my team, Gyrados.
Ty holds the Poké Ball to his chest The captain approaches the group

Ferry Captain: **Smile** You kids saved this entire ship today. If not for you, we would've had a real maritime disaster.

Ash: We just did what was right.
With the danger gone, the ocean settles once more. The Mantine returned to peacefully gliding underwater while the pack of Wingull flies

Jonah: Man, what a day. I don't think I've ever seen the ocean this crazy before.

Ty: Yeah… I still can't believe it. I actually caught a Gyarados. You're happy with that, buddy?

Teddiursa: **Happy** Teddiursa.

Ty: **Smile** Hehehe. I'm happy that I caught Gyarados.

Raye: **Smile** You didn't just catch it, you calmed it down first. That took real courage.

Dawn: **Smile** And Teddiursa and Croconaw were amazing today. You two were totally in sync.

Ash: You've grown a lot since we first met you, Ty. Before, you would've panicked at a raging Gyarados.

Pikachu: Pika Pika.

Ty: I wasn't scared you know.

Jonah: And I got worried about you if you got yourself hurt.

Ty: **Smile** There's no need for you to be worried anymore.

Jonah: **Smile**

Sarah: **Smile** Seriously though… You really did great, cousin. Girafarig and I were cheering for you the whole time.

Girafarig: Fariiiig.

Lillie: And I think Gyarados saw how sincere you were. Pokémon can sense that.

Max: But you made friends with that Gyarados. Which is good.

Ty: **Softly smile** Thanks, Max. It wasn't just me though.
If Ash and everyone hadn't helped the Huntail. And if all of us didn't work together…none of this would've happened."

Ash: That's what being a Trainer is all about. Helping Pokémon when they need it. And being there for each other.
A warm breeze passes by as the sunset deepens, reflecting across the sea like liquid gold

May: It's so peaceful now… it's hard to believe it was all chaos just a while ago.

Sakura: Mantine… Huntail… Gyarados…They were all scared, not trying to hurt anyone.

Avery: That's why helping them felt so right.

Ash: And we'll keep doing it. Wherever we go, we help Pokémon. That's our job.
Ty smiles at his friends as he's looking at his Gyarados's Poké Ball, determined for his gym battle that he's awaiting

Ty: **Smile** I’m ready for whatever comes next. With Croconaw, Teddiursa…And now Gyarados…I won’t let them down.

Croconaw: Croc!

Teddiursa: Ursa!
The group smiles at him with pride as the ferry horn echoes softly as the sun touches the horizon

Narrator: As the sun sets over a calm sea, our heroes look toward new adventures with stronger hearts and deeper bonds. With Olivine City on the horizon, Ty’s journey toward his next challenge.
